body's adoption of LB 66.

SENATOR CLARK PRESIDING

SENATOR CLARK: Is there any further discussion on the bill? If not, all those in favor of advancing the bill will vote aye, opposed vote nay.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Have you all voted? Voting on advancing the bill. Record the vote.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SENATOR CLARK: The bill is advanced. We will go to LB 134. Senator Pappas.

CLERK: Mr. President, LB 134 was introduced by Senator Jim Pappas. (Read title.) The bill was read on January 11. It was referred to the Banking, Commerce and Insurance Committee. The bill was advanced to General File, Mr. President. There are committee amendments pending.

SENATOR CLARK: Senator DeCamp, committee amendments.

SENATOR DeCAMP: Mr. President, I move adoption of the committee amendments. This is a retirement health bill and it deals with our retired employees, voluntary and mandatory and otherwise, and so on and so on. There has been a concern on the part of some of the public employees, state employees, other people, that if they took early retirement or such things, that they didn't get the right kind of a deal then and getting on health insurance. The committee reached a compromise here on the proposal by Senator Pappas. It seemed to be pretty well agreed to by the industry and others, and Senator Beyer came up with it and I would urge adoption of this particular proposal.

SENATOR CLARK: Is there any further discussion on the committee amendments? If not, all those in favor vote aye, opposed vote nay.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Have you all voted on the committee amendments? Record the vote.

CLERK: 30 ayes, 1 nay, Mr. President, on adoption of the committee amendments.
